Changi Airport Group partners with APTRA for Singapore networking lunch

Changi Airport Group has confirmed its partnership of the APTRA Networking Lunch in Singapore on May 12.

After last year's sell-out success, the lunch is now established as a regular annual event to welcome TFWA delegates to enjoy a taste of Singapore before the start of the TFWA Asia Pacific Exhibition & Conference.

Set within the Churchill Room at the Tanglin Club, tickets to the lunch are available to APTRA members and the wider travel retail community at US$120 per head to include drinks and a buffet lunch. In keeping with APTRA's status as a non-profit organisation, the tickets are priced to cover costs. Over 100 people have already signed up and other interested parties are encouraged to book as numbers are limited.

Sunil Tuli, President of APTRA, commented, "We're grateful to Changi Airport Group for their welcome repeat support for the APTRA Networking Lunch and also for their unwavering commitment to APTRA and our other events including the APTRA India Conference in March. We are finalising details with other lunch partners and will have more to announce in the next week."

Sunil Tuli will be presenting at the TFWA Asia Pacific Conference on Monday 13 May and the APTRA AGM will be held on 16 May, open by invitation to APTRA members.
